DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/04/2004 has been entered.
2. Applicant's Amendment filed on 6/4/2004 includes canceling claims 3, 14 and 21 and amended claims 1, 4, 6, 13, 15-16, 20, 22-23. In this Office Action the claims are renumbered as 1-23.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:
 - Prior art of record fails to teach a method to a request to commit said message to said queue, modifying the list entry key associated with said list entry to fall within said committed key range to move said list entry to the committed portion of said list. This claimed element is in independent claims 1, 13 and 20.

- Leymann et al. (EP Patent 0,817,019 A2) hereinafter Leymann teaches a method for computerized transaction processing of a collection of a multitude of potentially distributed transactions ensuring atomicity of the collection of transactions. Whereas Denny et al. (US Patent 6,330,686) hereinafter Denny teaches a method for dynamically and programmatically modifying the semantics and/or logic of class files as they are being loaded for execution. The method permits a user to write a control file specifying the changes to be applied to class files and the conditions for carrying out the changes.
- The arguments in the Applicants Amendment filed on 6/4/2004 on page 8, paragraphs 5 are persuasive and convincing.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
